

STOCKPORT METRO NOVEMBER MEET

Six members of the National Squad competed in the Stockport Metro meet. With swimmers from some of the top North West and Midlands clubs the competition was fierce.

Our swimmers, Daniel Andrews, George Crawford, Georgia Stockdale, Oliver Hall, Rachel Bradley and Rebekah Worthy all performed admirably against the strong competition.

George won silver in the 50m breaststroke (Age 15), Oliver won silver and bronze in the 50m backstroke and 50m butterfly (Age 13) together with 2 PBs in the 100m and 200m butterfly. Georgia had 4 PBs, 100m butterfly, 50m and 100m freestyle and 50m back. Rebekah had 2 PBs, 50m and 100m freestyle. George raced his way to a 100m freestyle PB

All the swimmers need to be congratulated for their race skills in what was a severely testing meet. With the short course season soon drawing to a close, our swimmers need to transfer their work and efforts from the short course pool into the long course pool.
