

City of Leeds New Year Meet

This was a great meet for our younger swimmers as this was, for many of them, the first time competing in a 50m pool. It was also ideal for swimmers to achieve N&D qualifying times for the upcoming championships.

43 Middlesbrough swimmers competed and maintained their record of doing well with 40 golds, 22 silvers and 23 bronzes. In addition to the first time for many on the younger swimmers in a 50m pool it was the first time for a while for many of the older swimmers and as a consequence, most swims were PBs (190). In addition, it was a great meet for breaking some of the club's long course records.
