

EDINBURGH INTERNATIONAL SWIM MEET 10TH -12TH March 2017

A truly international swimming meet with swimmers competing from as far afield as, to the south, South Africa, the west Bermuda, the east Cyprus and the north Norway. Therefore for a group of Middlesbrough swimmers to have attained the qualifying times for such a prestigious meet was truly special.

The meet comprised open events for both the men and women as well as youth events, women 14-17 year olds and for the men 15-18 year olds.

Congratulations to:

Adam Williams (1500m freestyle), Daniel Andrews (50/100 and 200m butterfly), George Crawford (50/100m breaststroke, 50m freestyle and 50m butterfly) and Scott Jenkinson (50/100 and 200m backstroke) and in the women's events Olivia McAvoy (800m freestyle) and Rebekah Worthy (50 and 200m backstroke).

Unfortunately none of the swimmers qualified for the finals. However, all the swimmers represented Middlesbrough with great credit in what was a very competitive programme.

Remember you were all up against some of the best international swimmers and to qualify to compete was SUCCESS ITSELF. WELL DONE.

A special mention to last year's club captain Scott who was competing for the first time after missing six weeks training as a result of a back injury. I am sure that all at the club wish you a complete recovery.
