

North-East Regionals – Long Course 2024

A total of 26 MASC swimmers aged 11-14 attended the long course Northeast regional finals at the John Charles Sport Centre in Leeds on the 27-28th April and 11th & 12th May 2024. Swimmers who gained consideration times to attend is an increase of 27% compared to 2023. MASC swimmers made 49 finals this is the club's best year yet at LC NER's!!

With tough consideration times to be able to attend it is an amazing achievement and we are immensely proud of all swimmers who attended and the support that they showed each other in true MASC style.

NER Highlights: -

A huge thank you to our amazing coaches and team managers Eleanor, Kirsty and Camilla who were the dream team making sure all swimmers were in the right place at the right time, and supported swimmers with the highs and the lows of competitive swimming. We also had Jon Shipley, John Proud and Gillian Smith officiating on behalf of MASC a huge thanks for volunteering your time. Every swimmer was fantastically well behaved and represented the club like super stars, you showed everyone just how wonderful a team we all are when we come together, and you all showed a great team spirit and support to each other and for that each and every one of you should be proud!!

A special mention to the following swimmers: -

Jacob Redding despite a DQ managed the whole situation like a professional who showed great resilience and should be admired for how he conducted himself and managed the whole situation.

Molly Speak who this time last year was swimming in our JP squad and went on to make 2 finals and achieved a 4th place in the 50 fly.

Jake Reddivari for swimming his 1500M and finishing in 6th place all while trying to keep his swimming cap on his head!
