

British Masters Championship 2024

MASC swimmers from our Masters squad attended the Wales National Pool in Swansea which is a 50m LC pool on 19-21st April to attend the British Masters Championship. We also had swimmers in attendance from Eston.

This is the largest long course Masters meet held in Britain and attracts the top master swimmers from across the Country. We are immensely proud to announce we have a British Champions from this event from our Masters squad. Head Coach Marcin has praised the efforts of all our Masters swimmers, but special mention goes to our Champion Helen

"Well done, Helly, your hard work is paying off and we are proud of you representing Middlesbrough!"
