Entry to this meet is based on a swimmer's IM time only.

Entries will not be accepted from swimmers who have swum faster than the enclosed cut off time for their respective IM. Swimmers without an IM time on the National Ranking will be allowed to enter. Entry times should be converted to 25m pool times by use of SE conversion tables.

Age as on 16 November 2024 for all events.

All events will be as per schedule of the meet with age groups combined; swimmers will be seeded according to entry times. Coach-approved estimated entry (e.g. training) times should be provided for swimmers who do not have an entry on the Swim England database; entries will be rejected if NO time is entered. For each age group, the 8 swimmers with the highest points total from the 4 heat events will qualify for the IM final in Session 3. **Note that the organisers reserve the right to reduce the number of lanes used for competition (and hence the number of finalists) should the number of available officials necessitate this.**

The entry fee is **£25 per individual**, which allows swimmers to enter all 4 heat events plus the IM final (should they qualify).

An Annual (returnable) Trophy will be awarded for the IM winner in each age group, with medals for the 2nd and 3rd placed swimmers and awards for each swimmer who reaches the IM final in their age group.
